School Strength and Staff

During the academic year 2025–26, the school proudly recorded a total strength of 457 students. The institution is supported by a committed and dedicated team consisting of:

30 Teaching Staff

7 Non-Teaching Staff

We were able to conduct successfully IIT/NEET classes for High School children, JEE classes for plus one children and Navodaya classes for grade 5th.

The sincere efforts, discipline and teamwork of the staff members have played a vital role in the smooth functioning and success of the school.

Academic Achievements

The school has always given prime importance to academic excellence along with value-based education. Through innovative teaching methods, continuous assessments and individual attention, students have shown remarkable progress in academics.

A proud moment for the institution this year was the achievement in the prestigious INSPIRE MANAK Awards, an initiative by the Department of Science & Technology, Government of India, encouraging innovation and scientific thinking among school students.

We proudly congratulate:

Sai Pranithi of Grade IX

Afsa of Grade VIII

for receiving the INSPIRE MANAK Award for their outstanding innovative scientific ideas and creativity. Their achievements brought honour and recognition to the school and inspired fellow students to pursue scientific learning and innovation.

Joshua from grade 9, Arjun from grade 8, Harsha Vardhan from grade 7 received Apex Excellence awards which added our glory.

Our grade 5 children got remarkable achievements in Navodaya exam conducted on the month of December 2025.

Sports Achievements

The school has always encouraged students to actively participate in sports and physical education for the development of leadership qualities, discipline and teamwork.

This academic year, our students brought laurels to the institution through remarkable performances in various state-level competitions:

State Level Hockey Championship

State Level Curling Championship

State Level Jump Rope Championship

These achievements reflect the hard work, determination and sportsmanship of our students along with the dedicated guidance provided by the coaches and physical education department.

Co-Curricular Activities

Along with academics and sports, students actively participated in various co-curricular and cultural activities including:

The following clubs are running under school guidance.

\* Science club

\* Social club

\* Maths club

- \* Nature club
- \* Health and hygiene club
- \* And POCSO club

Science exhibitions

Literary competitions

Art and craft programmes

Cultural celebrations

These activities helped in nurturing confidence, creativity and leadership among students.

Infrastructure and Learning Environment

The management continued its efforts to provide a safe, healthy and technology-enabled learning atmosphere through:

Smart classrooms

Well-equipped laboratories

Library facilities

Digital learning support

Hygienic and eco-friendly campus environment

The school remains committed to creating an environment that supports both academic and personal growth of every child.

Gratitude

The achievements of the school are the result of the collective efforts of the management, teachers, students, parents and well-wishers. We express our heartfelt gratitude to all stakeholders for their continuous trust, encouragement and support.

We look forward to achieving greater milestones in the coming academic years with renewed enthusiasm and dedication.
